COMPLETE PRODUCT RANGE

GREY MARBLE

ASH OAK

WHITE METRO TILE

Decorative Wall Cladding

This unique range of decorative hygienic wall cladding combines the benefits of our uPVC fire rated material with high-resolution digitally printed images and a UV cured clear hard coating. The coating provides permanent protection to the printed surface offering superior abrasion and chemical resistance whilst the sheet material is easily cut, formed, glued and welded.

- Exciting wall design images
- Easy to install
- Fire rated to self-extinguishing
- High abrasion and chemical resistance
- Effective hygienic wall protection

Sheet Size (mm)	Thickness (mm)
2500 x 1220mm	2.5mm
3050 x 1220mm	

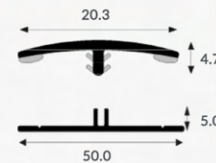

Clear Hard Coating

A UV cured clear coat based on a urethane acrylate monomer. Provides excellent protection against abrasion and chemicals as well as yellowing from UV rays.

- High abrasion and chemical resistance
- Clear transparent high gloss or matt finish
- Durable, enhancing the life of uPVC substrate

Profile Information 2 Part Division Bars

- Option for joining two cladding sheets together
- Available in 2500mm and 3050mm lengths
- Digitally printed to create continuous decorative image
- Use with our Stixall® crystal clear sealant for a water tight finish

AFFORDABLE LUXURY, UNRIVALLED QUALITY

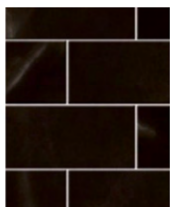

Replace traditional wall coverings with our impact-resistant and hygienic decorative wall cladding. High-resolution images are digitally printed directly onto uPVC sheets with a high gloss or matt finish creating impressive tactile designs with depth and realism.

HIGH PERFORMANCE, QUALITY APPROVED

Explore our exclusive selection of professional long-lasting adhesives and silicones, offering a wide range of applications and unique benefits for environments including wet rooms, sanitary and hygienic use.

SPECIALIST ADHESIVES AND SILICONES FOR CLADDING APPLICATIONS - EASY TO APPLY, HIGH QUALITY AND WATER RESISTANT

ADHESIVE RANGE

**PREMIERBOND HT
WHITE**

Hybrid MS Polymer Technology
Premium Grade
290ml cartridge and 600ml foil
Shelf Life: 18 months

Overall Benefits:

- Paintable
- Curing time 24hours
- Permanently flexible
- High tack properties
- Wet room environments
- Non-corrosive towards metals
- UV, moisture and mould resistant

**PREMIERBOND 2-PART
WHITE**

2-Part Component
Polyurethane Adhesive
6.5kg pack
Shelf Life: 6months

Overall Benefits:

- Tough, long lasting resilient bond
- Resistant to water, solvents and heat
- Full sheet coverage
- Minimal bubbling
- Cure as you mix part B

**STIXALL® EXTREME POWER
CRYSTAL CLEAR**

Hybrid Polymer Technology
Sealant with Adhesive Properties
290ml cartridge
Shelf Life: 12 months

Overall Benefits:

- Incredible grab and gap filling
- High bonding strength
- Interior and exterior use
- Quick curing
- Watertight, waterproof and weatherproof
- Temperature extremes (-40°C to +70°C)

SILICONE RANGE

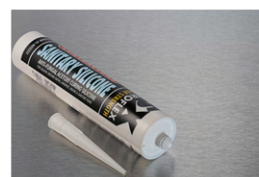

**GENERAL PURPOSE SILICONE
WHITE**

SX Contractors GP Silicone
Acetoxy
300ml cartridge
Shelf Life: 18 months

Overall Benefits:

- Versatile sealant
- High elasticity
- Good resistance to UV and weather

**SANITARY SILICONE
WHITE**

SX Contractors Sanitary Silicone
Anti-fungal Acetoxy
300ml cartridge
Shelf Life: 18 months

Overall Benefits:

- Sanitary formulation
- For use in kitchens, bathrooms and showers

**MULTI PURPOSE SILICONE
BLACK**

SX Sureseal MP Silicone
Acetoxy
300ml Cartridge
Shelf Life: 18 months

Overall Benefits:

- Versatile sealant
- High elasticity
- Good resistance to UV weather

**BESPOKE COLOUR MATCH SILICONE
COLOURS**

Neutral Silicone
Available in many colours
310ml cartridge
Shelf Life: 9months

Overall Benefits:

- Sanitary formulation
- Neutral curing
- Almost odourless
- Perfect bonding without primer on most substrates
